

TEA/TUG Conference 2002

TEXAS

To: AASHTO Transportation Estimators Association, Trns*port Users Group and
Guests

Howdy everyone,

Well it has been nearly a month now since the TEA/TUG Conference 2002. It seems like just last week.

First of all, I hope that each and every one of you returned home safely. Secondly, it was an honor and a pleasure to host this conference for such a great group of hard working people.

Carolyn and I hope that each of you left the State of Texas with new ideas, knowledge and resolutions shared by each other. We as Trns*port product users have a lot to offer when it comes to the functionality of these products. I'm sure that with 198 attendees representing 34 states, New Brunswick, the Philippines, the New York State Thruway Authority, Consultants, Info Tech and other vendors that we all benefited from the breakout sessions and meetings.

In addition to new ideas, we also hope that you had fun and left with positive images and fond memories of our great state and Texas hospitality.

I hope to see all of you again at the next TEA/TUG Conference 2003 in Vermont. I'm sure they are working hard to meet your needs and expectations.

Again, it was our pleasure!

Sincerely,

Judy Alonzo
